FROM: Tom Clyne *Tom Clyne*  
SUBJECT: Laclede Steel/Alton, IL  
TDD R05-8303-1F/IL0145  
Land Farm Irrigation #2

I called Mr. Ken Mitz, the farm cooperative extension agent for this area and described the three mile radius around the Laclede Steel site and asked if there is any farm irrigation within this radius. He stated that to the best of his knowledge there is no farm irrigation within the area. He also commented that the terrain is very hilly and not used for farming.
